Dear Title Surname

Pedestrian improvements to B3309 – Crowlas to Ludgvan.

Cormac on behalf of Cornwall Council is inviting comments on a proposal to implement a number of pedestrian improvements along the B3309 between Crowlas and Ludgvan.

It is considered that the introduction of these measures will improve road safety in the area. A number of crossing points, improvements to pedestrian routes, formalisation of bus stop facilities and a number of speed reduction features will all help to improve current passageways.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

8/08/24
